Lnumch of the New Hampshire. OUR PORTSMOUTH, N. H., CORRESPONDENCE. PORTSMOUTH, Jan. 23, 1864.

Line of Battle Ship New Hampshire Successfully Launched Incidents of the Ceremony-Sketch of the

Peter, ac. A precisely fifteen minutes past eleven o'clock this coming, the United States ship-of-the-line New Rampshire, was issued from our navy yard in the presence of a large concourse of the people of Portsmouth and different parts of the States of Maine, New Hampshire and Massachusette. The ladies of Portsmouth were Seen excelled. The bonor of christening the ship fell to the let of the beautiful and accomplished Miss Elizabeth M.

all probability, the last of her class that will be built in the United States, as the "Benbew" style of naval archiibe United States, as the "Benbew" style of naval archibecture is out of date. The launch was a beautiful one,
and was superintended in person by Commodore G. F.
Pierson, who gave all the directions, assisted by Commander Alexander Murray, Executive Officer of the Yard,
who took charge of the launch on board of the ship. The
wosther was delightful, and at the appointed time the
ship went off the stocks amid the tremendous cheering of
the large assemblace.

weather was delightful, and at the appointed time the thip went off the stocks amid the tremendous cheering of the large assemblage.

After the launch Commodore Pierson, who is the commandant of the Yard, invited a large party to partake of a dejeneur at his residence. A large number of army and navy officers were present, among the number we noticed Colonel Macomb, U. S. A., Captain E. Peck, U. S. N. Captain J. R. Goldsborough, U. S. N.; Colonel Ward Marston, U. S. M. C.; Surgeon Delaney, U. S. N.; Commander Alex. Murray, U. S. N., late commander of the notifix in the sounds of North Carolina; Captain Bayers, Commander Alex. Rhind, of Keokuk renown; Eaptain Browne, U. S. M. C., late of OddSalamander's Lagship Hartford; Lieutenant George Dewey, late First Lieutenant of the steam frigate Missiespipi, Blown up at Jert Hudson; Lieutenant Stoddart, U. S. M. C., and many others. After the collation the company repaired to one of the public buildings for a dance, where all enjoyed themselves highly, especially the ladies.

Before closing my hasty letter I would state that the New Hampshire was formerly known as the Alabama, and is a "first rate" sailing line-of-battle ship, and is not being differed for a steamer, as stated in all the New York papers, except the Hisaans. She is a three decker and of the same class as the Vermont. The following are her principal dimensions:—Tomage, 2,633; length, 280 feet; beam, 56 feet; piercef for 84 guns.

beam, 56 test; pierced for 84 guns.

She has been on the stocks forty-four years, the keel having been laid in 1820. She is to be fitted out as a store and ordnance ship, and will probably be sent to Fort Royal to relieve the Vermont, which vessel is to be sent North for extensive repairs. The New Hampshire is well built, and is as sound as a nut, and can render excellent service in her new sphere. Heaven speed her, and success to the flag.

Philadelphia.

I have known Hoofand's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a striking's beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of these afficted with the deseases for which they are recommended, to those Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as isoliand's Bitters is intended to benefit the afficted, and is "not a run drink." Yours truly, LEVI Q. BECK.

I do this the more readily in regard to Hoodand's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture, am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encour agement to try them when suffering from great and long continued debility. The use of three bottles of these Bitter at the beginning of the present year was followed by eviden relief, and restoration to a degree of bodily and mental vigowhich I had not feit for all months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

(From the Rev. Jos. H. Kennard, pastor of the Tenth Baptist church.)
Dr. Jackson-Dear Sir-I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere. I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the usefulness of Dr. Hooffand's German Bitters. I depart for once from my usual course to express my full conviction that, for general debility of the system, and especially fed Liver Complaint, it is a safe and valuable preparation. Its some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause. Yours, very respectfully, J. H. KEMBARD, Eighth, below Coates street, Philadelphia.

Dr. C. M. Jackson:—Dran Sin—I feel it a pleasure thus, or my own accord, to bear testimony to the excellence of the German Bitters. Some years since, being much afficied with Dyspepsia, I used them with very beneficial results. I have oftan recommended them to persons enfecibled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be sure passed.
